## - HOW TO FIND THE STUDIO -

To easily find the studio navigate to **"Freedom Suites Everton Park"**

You can park all day for free in the Woolworths car park.

If you do park there, simply cross Stafford Rd and head towards Freedom Suites.

Once you arrive at Freedom Suites, head up the stairs and buzz the intercom for **Shop 13**. If you get to the studio early, feel free to grab a coffee at Nodo which is right near by!

Once I've buzzed you in – please take a seat in the lobby just outside the door and I'll come and meet you there to discuss the design/sizing before I bring you through to the studio.

See you soon!

If you require wheelchair access - please make sure to let me know ahead of time what your estimated arrival time is, so that I can meet you downstairs to let you into the building through the lift, you may text **0434 024 562** with your ETA

This is the front of the building, if you let me know your ETA I will meet you right here and we will head around to the back of the building to access the lift

We will head down past these shops to the lift entrance at the back of the building

We will enter the building through this door and head around the corner to the lift

To access the floor my studio is on you will need to select the top button labelled 1  
*(please note the button is quite high off the floor so if you access the lift to enter or leave you may need assistance to press the button)*

Once we exit the elevator, we will come to a door like this, when we head down the hallway and we'll come across a buzzer/intercom system set up on the wall
